  - a. Site Council: Goals will be presented and the site team will come together to discuss data and progress within the building. (quantitative & qualitative data)
  - b. Culturally Relevant Teaching: Brought through AVID's structure (no specific trainer). We teach within our own school.
  - c. Are we going to address anything about how the fall looks like? We do not have any additional information and we are waiting on ODE to come out and provide direction of where we're heading.
    - i. Will zoom be available if we are not back in session next year?
      - 1. Yes, there is a good possibility these can be zoom meetings. Parents would appreciate it due to being high risk Child care, living outside of town... this can always be an option
